To

The Firms dealing in Pump Sets, etc.

Enquiry No. 11538.

Subject:—Pump Sets required for several Water Supply Schemes in the State (Bangalore Division).

Gentlemen,

No. S.P.C. 54431-70. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pump Sets required for Bangalore Division" with the above enquiry number.

This enquiry will be closed on the 28th April 1953.

SCHEDULE.

		F.O.R Dodballapur.
1	Centrifugal pump capable of lifting 43 gallons per minute against a total head of 125 feet from all causes directly coupled to an electric motor of 5 H.P. to run on a power supply of 400/440 volts, 50 cycles, 3 phase, 4 wire system. The quotation should include all accessories	Two
2	Deep well pump capable of lifting 35 gallons per minute against a total head of 280 feet from all causes belt driven by an electric motor of 7·5 H.P. to run on a power supply of 400/440 volts, 50 cycles, 3 phase. The quotation should include all accessories	One
3	Centrifugal pump capable of discharging 150 gallons per minute against a total head of 150 feet from all causes directly coupled to an electric motor of 20 H.P. to run on 400/440 volts, 50 cycles, 3 phase, 4 wire system. The quotation should include all accessories	Two
